WELCOME TO TREVISTA

Located at 3950 Lone Tree Way in Antioch, TreVista is a home-like community dedicated to resident engagement and empowerment. We help residents unlock their potential, realize their gifts and develop and nurture their talents – whether they live in our assisted living community or our in-house memory care neighborhood, The Villa.

OUR CORE VALUES

PROFESSIONALISM

Individuals are responsible for bringing their best effort to the job every day; because the team excels when every member shines.

INTEGRITY

We are honorable with each other at all times, behaving in alignment with shared dedication; because how we treat each other is the foundation for relationships built on trust.

COMMITMENT

Our goal is to maximize resident well-being and do whatever it takes to make each day the best it can be; because providing extraordinary care sometimes requires heroic action.

COMPASSION

Everyone deserves to be loved, and we make the world a better place by loving one another; because treating people like family means showing kindness and unconditional love.

Agemark

SENIOR LIVING

TreVista is an Agemark Senior Living community. Family owned and operated, Agemark began offering senior assisted living in the late-1980s, long before "assisted living" was a familiar term. We began by renovating historic hotels in rural areas and converting them into homelike settings for seniors who needed a little help with daily life. Since then, we've grown to 26 communities in six states. But we've held on to what drives us—treating everyone like family. That's our promise, and it applies to all who live and work at TreVista.
